## Hi Tejal,

I think that option 2 would be the best. Kate is scheduled to be back in late October. I hope this helps.

Hi Della – you and I talked last week on the case where Kate Corbett was the second chemist listed on the drug certs. The defense won't stipulate to those certs without her at trial... So, there are 2 options:

- 1. Could you redo the drugs, such that you do her part (the mass spec analysis, I think you said)? Or,
- Should I move the trial to October?

If moving the trial is the better option, could you please confirm when she's getting back from you'd be available? I could ask the court for the week of Oct. 19 or 20.

and when

Thanks for your help with this.

Tejal,

Thanks for your email. I have received defense counsel's OK to move my trial to a new date, and will inform Ms. Saunders. Good luck with your trial.

Hi, I have summonsed Della Saunders for trial on 9/22 and then found out you've also requested her (and she's got a trial in Taunton as well – but I just found out she'll be done early there). Mine is over 100 g of cocaine and SZ, in Woburn Superior, with no further continuances... Is yours a definite trial that is going on 9/22?

Hi Garrett, I am an ADA over in Middlesex. I have a 9/21 drug trial in Woburn Superior and was looking to call Della Saunders as a witness on 9/22. Is yours a definite trial? If so, Della be available at some point that morning to come over to Woburn?

Thanks,
